minesweepers in World War II / by Paul Lund and Harry Lu Date: 1978 From: London ; New York : Foulsham, the British Motor Minesweeper History of Harwich & Dovercourt . At the beginning of World War 1, British regular minesweeping forces comprised 10 ex-torpedo . In 1944–45 she was named St Angelo II, acting as a minesweeping base ship. Steps were taken to ease the sweep out, causing the mine to submerge and drift beneath the trawler, and 10
